WELCOME TO LAKE CUMBERLAND RUSSELL COUNTY

Best Vacation Ever!

WISH YOU WERE HERE!

Lake Cumberland is famous as the Houseboating Capital, and is one of America's favorite lakes for boating, fishing, skiing or just cruising around. With more shoreline than the state of Florida and lots of secluded coves, this is the perfect place for a houseboat trip or boating excursion. Lake Cumberland Russell County is home to four outstanding marinas providing boat rentals of everything from kayaks and fishing boats to speedboats and luxury houseboats.

For fishermen, Lake Cumberland offers trophy-size stripers and holds state records for brown and rainbow trout as well as walleye; and the Cumberland River below Wolf Creek Dam has

some of the best fly-fishing in the country!

Of course we have more to offer than just water! Guests can enjoy horseback riding, 18-hole golf courses, disc golf and putt putt, hunting, hiking, geocaching, farm tours, Civil War era graveyard tour, and more!

Lake Cumberland in Russell County is also proud to be home to the Wolf Creek National Fish Hatchery and the very beautiful and popular Lake Cumberland State Resort Park; both have loads of activities for all ages all year long.

If you need additional information, assistance, or help with pre-planning your visit, please feel free to contact the **RUSSELL COUNTY TOURIST COMMISSION** at 1-888-833-4220 or visit us online 24 hours a day, 7 days a week at www.lakecumberlandvacation.com.

Lake CUMBERLAND

Lake Cumberland is the largest lake by volume east of the Mississippi, and one of the largest lakes in the nation. This wonderful and massive lake has a meandering shoreline of 1,255 miles, which is much longer than Florida's 770 miles, and nearly the length of the whole U.S. Pacific shore. The lake covers 63,000 surface acres, and is 101 miles long. The average depth is 90 feet, and maximum depth is 200 feet near Wolf Creek Dam. The normal summer pool is around 723 feet above sea level.

Russell County is proud to have more of Lake Cumberland than any other county, and welcomes hundreds of thousands of visitors each year. Whether you are renting a houseboat, bringing your own boat, fishing, swimming or skiing, you will be amazed at the beauty and tranquility that Lake Cumberland offers.

Lake Cumberland is a man-made lake under the supervision of the US Army Corps of Engineers and was completed in August 1952. Wolf Creek Dam was created to impound the Cumberland River and also formed Lake Cumberland. The dam's six turbines are capable of producing 270 megawatts of electricity – enough to supply the needs of an average city with a population of 375,000. The name Wolf Creek comes from the original planned location for the dam, several miles upstream near the confluence of Wolf Creek with the Cumberland River. Though the location changed, the name stayed the same. Wolf Creek Dam is one of the largest dams in the United States.

This is a fun, FREE, event for the whole family! Russell County has hundreds of hidden Geocaches... with lots of recently added caches for our October event! Call the Tourism Office at 270-866-4333 to see where we will be meeting or for additional questions. Watch for details and for the event to be posted on www.geocaching.com!

OCTOBER 31 - NOVEMBER 1, 2014: 1ST ANNUAL ZOMBIE RUN & HAUNTED WOODS

FRIDAY, OCTOBER 31: Come for a frightening night for the whole family! Haunted Woods opens at 7 PM - Midnight. Free pumpkin carving for kids 10 and under and free s'mores station for all ages. Live performance by Gravel Switch at 11 PM - 1 AM. (Admission will be \$10.00 for concert, 18 years or older.)

SATURDAY, NOVEMBER 1: The Apocalypse arrives! The Zombie Run is an untimed 1.25 mile event where you can register as a human and run for your life through a pulse pounding obstacle course. If registered as a zombie, get a zombie makeover & grab runner's flags as they flee from you in terror. Zombie registration at 7:30 AM (\$25.00). Human registration at 8:30 AM (\$25.00) Call 270-866-4333 for more information.
